## ROYALTY REIGNS AT VHS

Unlike Queen Elizabeth who came from generations of royalty at Buckingham Palace, the 1951 Queen of Victoria High School had to lay the path for the future of royalty at VHS. With this responsibility in mind, the V-

Club searched to find their Queen among the princesses of VHS. Homecoming 1951 came and their choice was announced...

**GLADYS WELLBROCK (PFEIFER) ('53)...FIRST QUEEN OF THE KNIGHTS.** Not only did Miss Wellbrock make her mark as the first Queen at VHS but she also was THE only Queen selected who was not a senior...she was a junior.

Likewise, Gladys was one of the queens crowned by the captain of the football team which was the practice for the first seven queens. Then in 1958, Bill Brungardt ('59) made his mark as the first King to be selected at VHS, crowning his queen, Bernadette Stramel ('59), during the homecoming half-time activities.

Since 1951, many students at VHS have been honored as royalty at

### Gladys Wellbrock:

#### *First Queen of the Knights*

Victoria High School hosted Luray at the Victoria Baseball Diamond for its seventh football game of the season and homecoming was celebrated for the first time at VHS. 1951 was the year and a landmark moment for Victoria. This year became the first for homecoming activities at VHS. No parade but the Senior class asked the V-Club to select the first queen for homecoming. After careful consideration, the V-Club chose a junior for their first queen and she has proven to be the shining star in the history of homecoming at VHS.

Yes, Gladys Wellbrock (Pfeifer) was the first queen at VHS and the only one who was a Junior. Did she shine because of her smile, or her beauty? Many say it was because of her sax. Gladys was very active during her high school years. She participated in band, journalism, Pep Club, Glee Club, Intramural, 4H, CYS (now CYO), served on many committees and was a cheerleader all four years of high school. She is now married to Norman Dale

## NEW POSITIONS CREATED AT USD 432....

### SCHOOL NURSE

After many years of the classroom teacher and the school secretary playing "nursemaid," the Victoria School District finally has its very own nurse. The personnel at the three schools feel very fortunate to have the services provided by Mrs. Colleen Dickinson. Since most of the action takes place at the Elementary level, she spends most of her time in that building.

Some of the duties assumed by Mrs. Dickinson include: updating the health charts, developing a state-approved medication policy, conducting vision and scoliosis checks, and giving TLC and treatment for anyone in need. She also takes on the role of a teacher, when upon request, she presents a health lesson to a class.

Mrs. Dickinson is originally from Natoma and has been a nurse for 9.5 years. She is married and has two young sons. Her free time is spent working on the family farm and crocheting.

### RUS DRIVER

In years past, the school bus driving has always been done by a district employee who already had other duties. This year the job of bus driver was made into a position all its own.

Ms. Diana Howard, originally from Denver, Colorado, has accepted this position and enjoys the opportunity to be "around the kids." She considers her obligation of getting the students to and from an activity a challenge. She thinks the students are very respectful and seem to take pride in the school and community.

Ms. Howard is single and enjoys reading, car racing, watching football, and walking.

## The Carnival Is Comin' to Town

The Victoria Parent Teachers Association is sponsoring a carnival featuring a "circus theme" on Saturday, May 6, from 3:00 to 8:00 p.m. There will be something for everyone.

Here's a list of the activities and booths that will be featured: Country Store, Cake Walk, Jail for Celebrities, Dunking Booth, Fish Pond, Duck Pond, Bean Bag Throw, Football Throw, Baseball Throw, Canes, Helium-filled Balloons, Putt-Putt, Wet Sponge Throw, Petting Zoo, Balloon Dart Throw, Raffle, Funnel Cakes, Sloppy Joes, Nachos, Food Booths, and the PTA Booth selling pencils, suckers, and banners.

## *First Annual Banquet and Dance Termed a Success*

After much preparation by many Victoria High School alumni (and some spouses and friends), the VHS Alumni Association held their first annual Homecoming banquet and dance at the Hays V.F.W. Hall on Saturday, Oct. 1, 1994. Approximately 273 people attended, with alumni representation from the Class of 1922 to the Class of 1989.

After a delicious meal of fried chicken, roast beef, stewed noodles and all the good stuff that goes with these, Alumni Association members gave reports on the various committees and activities that took place throughout the year, with acknowledgment given to the many volunteers who helped pull things together.

Rich Billinger emceed the event, at one point interviewing the Class of 1922 representatives, Loretta Wasinger and Barbara Knoll, who delighted the crowd with stories about their school days.

Members of the honor classes--1984 (John Braun) and 1969 (John Vonfeldt)--gave

short speeches reflecting on the past and thanking the Alumni Association for their hard work. Lawrence Weigel, a member of the Honorary Class of 1935, enlightened those present about the way of life in the 1930's. Jerry Roth, a member of the Honorary Class of 1941, also presented his memories of the good times he enjoyed in the '40's.

The Nostalgics, a singing ensemble consisting of VHS alums Louise (Windholz) Schmidtberger ('72), Kathy (Schulte) Dreiling ('76), and Marilyn (Brungardt) Braun ('68), entertained with rock and roll music before everyone danced to the music of the Dance Doctor, Kenny Billinger ('79).

Quotes overheard at the banquet and dance:

*"This turned out really nice."*--Diane Pfeifer ('73)

*"The food was really good. The noodles were a little salty though."*--Janice Tholen ('76)

*"Next year they should put the maiden names on the name tags."*--Wanda Karlin ('76)

# "REFLECTIONS"

We held our first Victoria High School Alumni Banquet on Saturday, October 1, 1994. Of course, this reunion would cause many people to bring up many memories of the past. For instance:

Jerry Roth, a representative of the Class of 1941, mentioned that his class was the first to graduate from Victoria High School. Before that the school was known as St. Fidelis High School. His class's motto was "Life is a picture, so paint it well." He also said that in 1941 VHS published its first quarterly newsletter, titled "Victoria Lite". Eventually the paper's name was changed to "The Page". Jerry saw his first live elephant at the Wichita Zoo during the 1941 Senior-Class Trip.

Lawrence Weigel spoke for the Class of 1935. There were five boys and five girls in his graduating class. Eighty percent of them are still living. As a pastime in 1935, Lawrence said people told stories. He noted that the local fire truck was a wagon with a hose wrapped around a cylinder. Back then you could get seven gallons of gas for \$1.00. Wheat sold for 25 cents a bushel. Lawrence mentioned how during the Dust Bowl era they had to sweep dust off the school desks because the blowing dirt was so bad.

A couple of members of the Class of 1922, Loretta Wasinger and Barbara Knoll, also reflected on the past. Loretta described how they had to walk a mile to school carrying their sack lunches because there was no school lunch program in 1922. She remembered having to carry coal in for the night after changing from school clothes to old clothes. Barbara mentioned that Friday afternoons were set aside for a social hour back in 1922. Barbara noted that as a teacher in 1941 she was paid \$45.00 a month.

When John Braun, from the Class of 1984, was in high school one gallon of gas was \$1.05, a movie cost \$3.50, and sneakers were running about \$30.00. The all-school play that year was a roaring 20's spoof called "Speak Easy" that brought in a whopping \$26.00 causing the class to wonder whether they could afford a Junior-Senior prom. Ten years after graduation, 12 members of his class still live in Victoria, 16 live within 20 miles, and three reside out of state.

Ah, memories--aren't they grand? We can't wait until next year's reunion to hear more!

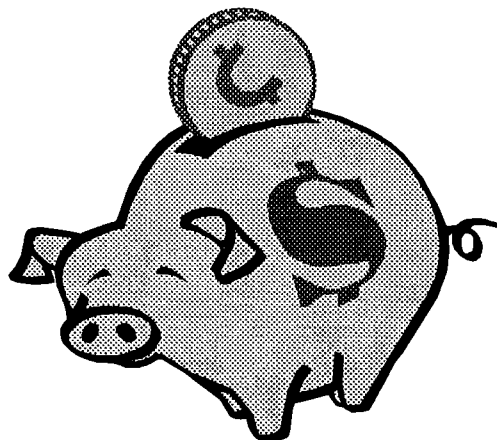

## Craft Fair Successful for Scholarship Fund

The Victoria High School Alumni Association sponsored its first annual craft fair on October 9, 1994 in the Victoria Elementary Gym. The fair met with great success from the perspective of both the crafters, and the association which netted approximately \$500.00 for the Scholarship fund. As for the customers, they felt that the fair was set-up nicely with plenty of room to browse and a nice variety of craft items. Craft items sold included

such things as ceramic items, quilted crafts, wood crafts, wreaths, baked goods, and more. Also, the Victoria PTA sponsored the

concession stand for this event.

Judging by the success of the first craft fair, the second annual craft fair should be even bigger and better. This craft fair has been set for October 8, 1995 at the Victoria Elementary School Gym. Therefore, mark your calendars and plan to attend in support of our scholarship fund.

## **Two \$200.00 Scholarships To Be Awarded**

Commencement exercises 1994 shined for the VHS Alumni Association with the awarding of its first scholarship to Brandon Schmidtberger.

For graduating seniors of 1995, the Association has chosen to award two scholarships of \$200.00 each. Therefore, we are reminding the current senior class members to apply if they have a minimum High School G.P.A. of 2.5. Also, the scholarship committee analyzes the candidates based upon their involvement in extra curricular activities, special academic awards, extra curricular awards, work/job experiences, church or community activities, and individual need as stated on the application. All applications are due in April.

The VHS Alumni Association is proud to offer two scholarships this year, and they hope that they will award even more scholarships in the future. Therefore, if you would like to help build our scholarship fund, donations may be made directly to this fund and should be sent to the Association address with a notation of "scholarship fund".

## Class Reunion Recap

It is a tradition for classes to gather together for reunions. This year will be no exception. Those classes planning reunions are encouraged to correlate their activities with those of Homecoming and the annual Alumni Association banquet and dance.

Several classes of Victoria High School held reunions in 1994. A recap of the reunions is listed below:

### ...1944

The VHS class of 1944 joined with the grade school class of 1940 for a reunion. They began their activities by entering the VHS Homecoming parade Friday afternoon, Sept. 30. On Saturday, Oct. 1, both classes attended 5:00 Mass at St. Fidelis Church then gathered at the Victoria K of C Hall for a "happy hour" and dinner. About 16 members of the Class of 1944 and 18 members of the Class of 1940 and their spouses were present. One of the main topics of conversation during the evening was former teachers, especially Sr. Viola.

### ...1964

Starting with a social hour from 3:00 to 4:30 p.m. at the Victoria K of C Hall, the VHS Class of 1964 celebrated their thirtieth class reunion on Saturday, Sept. 3. They then attended a 5:00 memorial Mass where they honored deceased parents and classmates. Back at the hall, members enjoyed a dinner and a dance with music supplied by the Verlin Schmidtberger Band. Several classmates had never attended a reunion and were pleasantly surprised at the fun a reunion can be. Classmates admired the dancing skills of Kenny Brungardt ('64), who they thought rivaled Fred Astaire since Kenny didn't miss a single dance.

### ...1969

A 25-year class reunion was held by the VHS Class of 1969. After entering a float in the Homecoming parade, the class gathered at the Victoria K of C Hall after the Homecoming game on Friday, Sept. 30, along with other VHS alumni. Then on Saturday, Oct. 1, members attended the the alumni banquet and dance.

### ...1974

In celebration of their 20th year reunion, several members of the VHS Class of 1974 created a float for the Homecoming parade held Friday afternoon, Sept. 30. Later that night, about 12 classmates and their spouses gathered in the garage of Brenda (Wellbrock, '74) and Gary ('72) Gross for an evening of story telling. Brenda and Gary provided drinks and eats. Everyone was amazed at Tom Tholen's ability to remember events in his past, such as driving a tractor into a pond. He also did some back flips to show that he isn't getting older, only better. The following evening, class members attended the Alumni Association banquet and dance.

### ...1984

Twenty members of the Class of 1984 celebrated their 10th year reunion by attending Homecoming activities on Friday, Sept. 30. Following the football game, classmates found their way to The Library to get re-acquainted. On Saturday, Oct. 1, they attended the Alumni Association's banquet and dance where other alumni had to be scooted out of chairs reserved for the honored Class of 1984. Then on Sunday, Oct. 2, the group gathered at the farmstead of Colleen (Dinkel, '84) and Leon ('74) Kuhn for a family picnic. Luckily there were plenty of toys for the classmates' energetic kids to play with.

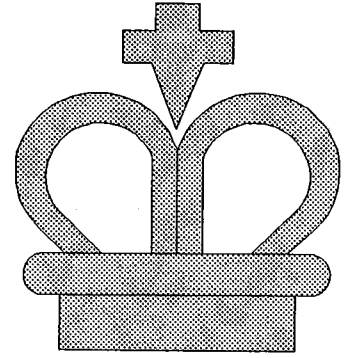

# Royalty Reigns...

(continued from Page 1)

homecoming. However, some families have had more than one royal member. Among these royalty are: Fran Robben, ('67) and daughters, Shanna Robben ('89) and Sarah Robben ('94); Everett Braun ('60) and son, Scott Braun ('91); Mike Roth ('78) and brother, Greg Roth ('81); Allen Hammerschmidt ('68) and sister, Geri Glick ('72); Virgiline Tanga ('58) and sister, Verda Graf ('60); Judy Bollig ('69), brother, Gary Gross ('72), and sisters, Mary Lou Rupp ('74) and Carol Kuhn ('76); Jerry Meder ('69) and brother, Terry Meder ('70); Terry Dinkel ('73) and brother, Jeff Dinkel ('79); Myrna Hoffman ('80) and brother, Jeff Kisner ('86); Geralyn Huser ('88) and brother, Randy Huser ('90); Luane Brungardt ('82) and sister, Deanne VonLintel ('95); Carol Meyers ('65) and sister, Sheila Brackett ('71).

Homecoming royalty has now become a tradition at VHS and with the crowning of the queen by the King during the 1995 homecoming, the 45th anniversary of royalty at VHS will be celebrated. Therefore, during the second annual Alumni Association banquet, all royalty at VHS will be invited to reign. So mark your calendars to celebrate with us, the ROYAL BALL of 1995. (Refer to list of homecoming royalty on page 7.)

## Gladys Wellbrock: First Queen

(cont. from page 1)

Pfeifer ('52) and has two daughters and three sons.

Although Gladys enjoyed all that she participated in, she truly enjoyed the time that she devoted to playing the saxophone in the "Royal Knights Orchestra" which was comprised of several fellow classmates under the direction of Mr. Charlie Bahl. This orchestra played at several school functions including the dances. They were invited to share their talents at other schools; however, school policy did not allow them to perform outside the realm of VHS.

Royalty may come and royalty may go, but for the alumni of VHS, the fall of 1951 will be remembered as the season that Gladys Wellbrock (Pfeifer) was crowned the first "QUEEN OF THE KNIGHTS" by the captain of the football team, Verlin Leiker. Oh yes! The KNIGHT team did win the homecoming game for their queen, 25-6.

## EXTRA! EXTRA!

READ ALL ABOUT IT! VHS Alumni Association Newsletter Committee completes its second newsletter for the membership.

With the completion of the first newsletter, the Newsletter Committee received great reviews and they were urged to continue this informative paper. Their goal has been to produce a newsletter in the Spring and August of each year filled with Alumni Association information and articles of interest to the membership. The committee has maintained this goal while increasing the newsletter size with this second issue. Therefore, they have asked the association board to complete fundraisers to fund the printing and mailing of the newsletters.

Currently, the committee is working on a raffle. Therefore, if you have any raffle items that you would like to donate, please contact a Newsletter Committee member or a board member. Likewise, if you have any ideas for fundraisers, please contact one of these same people.
