Homecoming 2004 –

September 17 and 18 will be an important weekend for VHS Alumni. We will be gathering for the 11th annual Victoria Alumni Association's homecoming. Honor classes will be **1954, 1979, and 1994** as well as all five-year increment classes.

All events will remain the same as in previous years including the changes that were made last year. The VFW will be the headquarters for all of Friday's events including the golf luncheon, open house before the parade, and the social after the football game. The annual business meeting will take place in the VFW clubroom in conjunction with the social. All members are encouraged to attend.

The Memorial Mass will be Saturday afternoon at 4:00 at St. Fidelis Church and will fulfill your Sunday obligation.

Saturday night after the banquet you will be partying to the music of "Anthony and the Anamals" which features some of VHS alumni's very own, **Tim Pfeifer '76, Raphael 'Ray' Schmidtberger '70, and Anthony the III 'Tony' Pfeifer '74.**

The cost for the weekend will remain at \$25 per person for the banquet and dance plus your \$5 yearly membership dues.

NOTICE IMPORTANT ANNOUNCEMENT

Your alumni board of directors constantly strives to improve and strengthen the alumni association. We try to listen and then respond to your requests. One such request has surfaced several times in the past years and has been brought to our attention once again.

Some of you have asked if it would be possible to invite former classmates from elementary school to be guests at the homecoming festivities. After a lengthy discussion the board did approve a motion to allow five-year increment reunion classes to invite classmates from the elementary schools within USD #432 (Pfeifer, Walker, Vincent, Emmeran, and Victoria) to be their guests for the homecoming festivities. These would be classmates who did not continue their education or attended another high school. The respective reunion classes would be responsible for extending the invitation within these guidelines as well as informing them of their reservation fees..

This action was taken by the alumni board in order to be more accommodating to the five-year reunion classes and just another effort to encourage them to coincide their reunions with the alumni association's homecoming festivities. One of the main purposes of our alumni association is unity and renewing friendships and quite often some of our dearest friends were made in grade school.

Hall of Fame

We are asking for your nominations for the VHS Alumni Hall of Fame. Many of you have responded with just a name on your reservation form. This is not sufficient. Your nomination must be in the form of a letter detailing your reasons for nominating this deserving individual and must be received by July 31, 2004, so we can announce the recipients in the August newsletter.

We are asking you to remember several details. All persons who have ever been associated with the Victoria schools from 1922 to the present are eligible, including elementary personnel as well as high school personnel. This includes superintendents, principals, teachers, secretaries, cooks, and custodians. Your nomination once again must be in the form of a letter.

Contact your classmates and fellow alumni and encourage them to send letters as well. Who is that special person that touched so many lives and is deserving of this prestigious award?

Each year we induct three individuals two living and one deceased. This is our third year for this award. Those who have been honored thus far are Lawrence Marcotte and Charles Bahl (deceased), and Tony 'Red' Pfeifer, Gene Dreiling, Al Riedel, and Lisa Colwell.

Thank You! Thank You! Thank You!

You really came through and we want to thank you! Our August newsletter contained a plea for donations toward our scholarship fund, our general fund, and our overall paid membership. Last year at this time we were anticipating cutting back to one newsletter a year and our scholarship money was depleting making our scholarship commitment questionable. Standard bulk mailing was causing a dilemma for us because the delivery of newsletters was being delayed by weeks or simply not being delivered. So we are once again resorting to first class mail which increases the cost but will assure delivery.

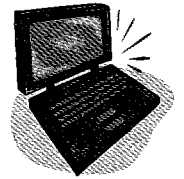

Because of your overwhelming generosity, you have received this newsletter and will be receiving another one in August. We are taking applications to award four \$500 scholarships to our graduating seniors at Victoria High School again this year.

Please continue to help your alumni association financially by remembering to pay your dues each year and making a donation toward our scholarship fund and/or general fund.

We could be doing so much more if only we could get more of our alumni to pay their yearly dues. We believe it is merely an oversight, so we are asking that you help remind mom and dad, brothers and sisters, and fellow classmates to do their part to support their alumni association.

Thank you for your commitment!
